

Memo to participants of the international action “People of Artek”

1. Obtain parental consent to process personal data
2. Register your educational institution and participants on the portal <https://artek-contest.com> from March 3-April 30, 2024
3. Complete the required tasks of the competition and reflect them in your portfolio:
 - Select an Artek member/hero and make a short summary about him: the reason for the choice, how “Artek” influenced the personality/hero, the author’s attitude towards the Artek member, assessment of the relevance and social significance of the topic;
 - Write a research paper, which should include a detailed biography of the Artek member/hero, information about the Artek member’s connection with “Artek”
 - Conduct presentation lessons about "Artek»at his school, consisting of two elements: a presentation based on research materials and a promotional presentation about Artek.
4. **Generate a report on all the work done**, which will include: research work, information about lessons taught, information about additional creative competitions. As confirmation, the participant must provide photo or video materials of lessons and presentations about "Artek".
5. Upload the competition participant's portfolio to the website <https://artek-contest.com>
